Property Description

Contemporary Townhouse of modern design with exquisite River views and City-scape.

The charming fishing village of Ferragudo is a true Algarvian delight. Located at the mouth of the Arade River, relaxing at one of the renowned fish restaurants watching the days catch delivered to the door of the eatery fresh off the boat and grilled before your eyes is a rich pleasure indeed. The main square gives way to the mazy cobblestone streets so typical of the area.

Ferragudo has several great beaches within walking distance of the village. The main and most popular of the beaches are Praia da Angrinha and Praia Grande. While a more adventurous walk will lead you to the more scenic beaches of Praia do Pintadinho and Praia dos Caneiros.

The hustle and bustle of Portimão, one of South Portugal's largest cities is just across the glorious Rio Arade - close enough to be convenient yet far enough away to not even know it is there!

The Algarve is World famous for its stunning beaches and picturesque scenery. Throw in 300 days of Sunshine and renowned cuisine and the full package of Portugal is complete. With countless charming towns with labyrinthine historic streets and its many top class golf courses, coupled with adventure sports and mountains this is truly a region among Europe's finest.

Specifically the Western Algarve, where this sumptuous property is located is also blessed with a culture of the outdoors. Surfers flock here year round, the World renowned Fisherman's Hiking trail begins in nearby Lagos, there are networks of cycle routes and areas of protected National Park.

This Townhouse is situated a short stroll from the Village centre and at the frontline of an established urbanisation, with unobstructed vistas across the beautiful River. The modest skyline of Portimão sparkles once the sun sets behind it guaranteeing stunning views at all times of day. A morning coffee on the balcony watching the fishing boats returning with their catch is not something to be underestimated!

The front door is located on a quiet avenue and reveals the open plan, L-shaped living interior. The views are immediately apparent. To the right of the entrance is the kitchen, fully equipped with modern appliances. There is a large hatch giving way to the living room that can also service as a breakfast bar. Bright and airy, the living room branches out to the dining area on the left - naturally encompassing the sumptuous view beyond. There is access via French patio doors to the terrace facing the river, and a guest bathroom.

Up the stylish stairs 2 bedrooms can be found - both are en-suite, with one boasting a whirlpool bathtub! Both bedrooms naturally have their own terrace and are replete with fitted wardrobes.

Another level up and the rooftop terrace offers itself invitingly. with panoramic views. BBQ at dusk? Mimosas at breakfast? You decide!

That's not all - the forward thinking owner has transformed the garage area into a self contained apartment. An open plan kitchen/ living area, fully modern and with the expected views. A separate bedroom facing the river and quality bathroom complete this impressive unit, ideal for rental or when family arrives.

On the West (River) side is an outdoor area awaiting transformation to small garden, jacuzzi area or pool of 5 x 2 metres.

With the location a few minutes walk to Ferragudo square, excellent beaches, some of the best golf courses the Algarve has to offer and within close proximity to the busier, resort towns of Carvoeiro and Portimao this property has obvious rental potential in the thriving Algarvian rental market.
