Property Description

THE OASIS

Situated in the centre of Oeiras old town, the Oasis offers a mix of contemporary design and urban tranquility.

Designed by Fala Atelier, one of the most exciting emerging architecture studios in Portugal. Each apartment looks directly onto a shared 200 sqm south facing garden, an oasis at the heart of the hotel.

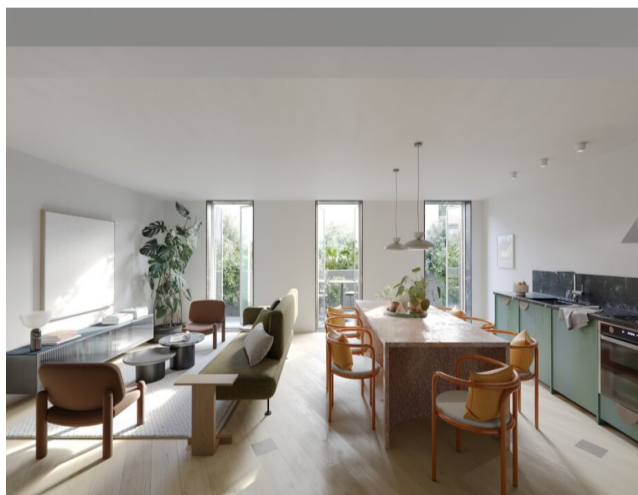

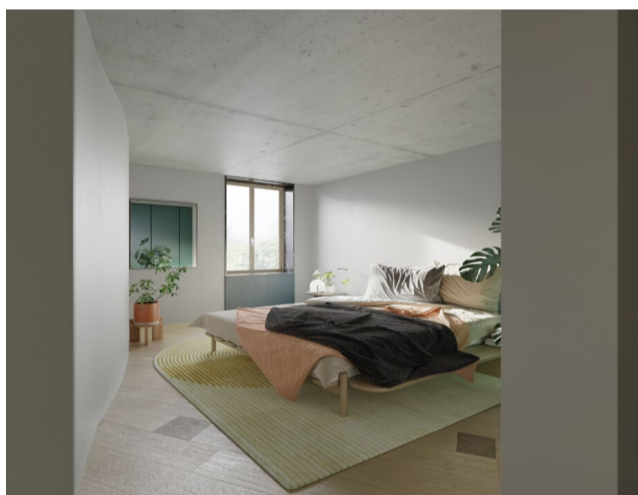

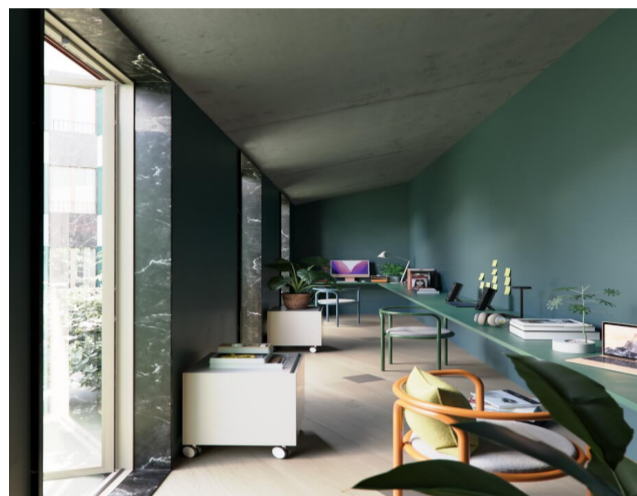

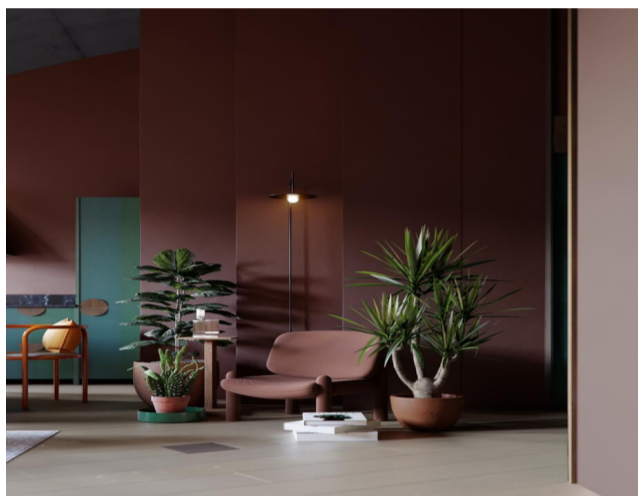

Located next to Carcavelos, the main city beach, Oeiras is a 20 minutes train ride into the centre of Lisbon. Home of the Tagus Business Park, Oeiras has the highest GDP per capita of any municipality in Portugal. And is also home to some of the leading international schools in Lisbon.

Oeiras is one of the fastest changing areas of Lisbon, but underserved by hospitality options, being the perfect place for this new aparthotel. It also attracts a wide potential client base, such as digital nomads, tourists, families and business professionals.

This project will offer 3,5% guaranteed return to the investors, which will be operated by the renowned and one of the largest Pan-European hospitality operator.
